**Peli 13**

A 2x2 grid of hearts. The top-left heart contains the number 16, the top-right heart contains 19, the bottom-left heart contains 16, and the bottom-right heart contains 13. In the center of the grid is a small circle containing the number 1.

**Peli 14**

A 2x2 grid of hearts. The top-left heart contains the number 22, the top-right heart contains 14, the bottom-left heart contains 17, and the bottom-right heart contains 14. In the center of the grid is a small circle containing the number 1.

**Peli 15**

A 2x2 grid of hearts. The top-left heart contains the number 23, the top-right heart contains 14, the bottom-left heart contains 20, and the bottom-right heart contains 15. In the center of the grid is a small circle containing the number 1.

**Peli 16**

A 2x2 grid of hearts. The top-left heart contains the number 13, the top-right heart contains 21, the bottom-left heart contains 16, and the bottom-right heart contains 24. In the center of the grid is a small circle containing the number 1.

**Peli 17**

A 2x2 grid of hearts. The top-left heart contains the number 13, the top-right heart contains 16, the bottom-left heart contains 19, and the bottom-right heart contains 17. In the center of the grid is a small circle containing the number 1.

**Peli 18**

A 2x2 grid of hearts. The top-left heart contains the number 22, the top-right heart contains 15, the bottom-left heart contains 14, and the bottom-right heart contains 15. In the center of the grid is a small circle containing the number 1.

**Peli 25**

A 2x2 grid of hearts. The top-left heart contains the number 21, the top-right heart contains 17, the bottom-left heart contains 16, and the bottom-right heart contains 16. In the center of the grid is a small circle containing the number 1.

**Peli 26**

A 2x2 grid of hearts. The top-left heart contains the number 19, the top-right heart contains 20, the bottom-left heart contains 16, and the bottom-right heart contains 22. In the center of the grid is a small circle containing the number 1.

**Peli 27**

A 2x2 grid of hearts. The top-left heart contains the number 16, the top-right heart contains 25, the bottom-left heart contains 16, and the bottom-right heart contains 18. In the center of the grid is a small circle containing the number 1.

**Peli 28**

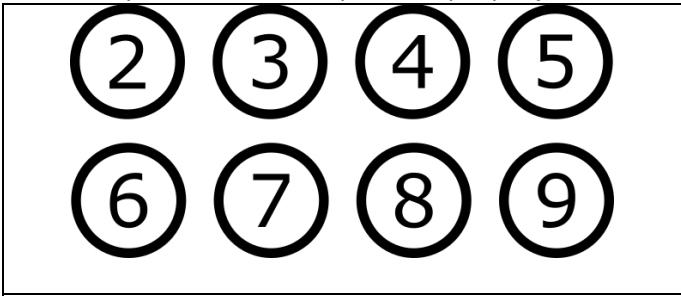

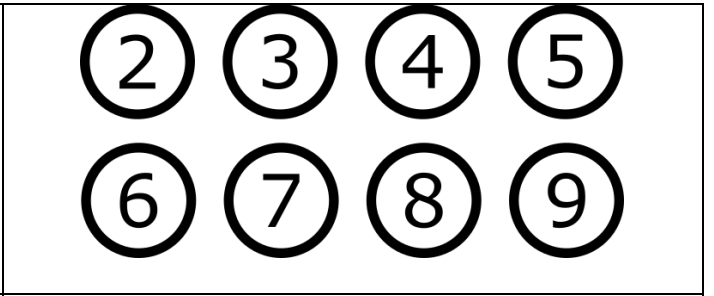

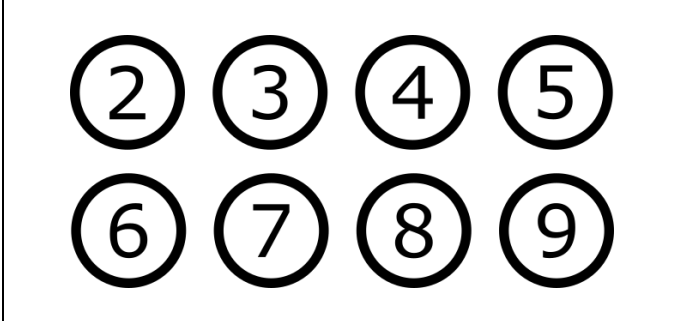

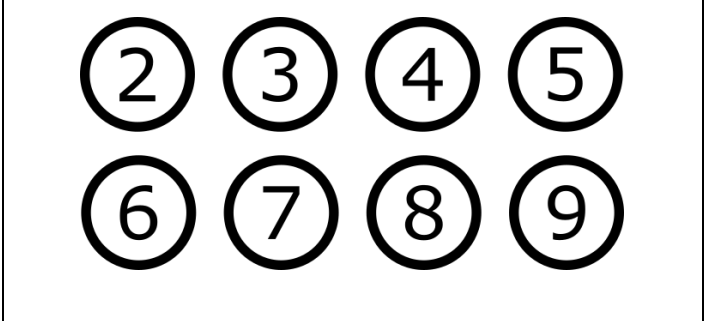

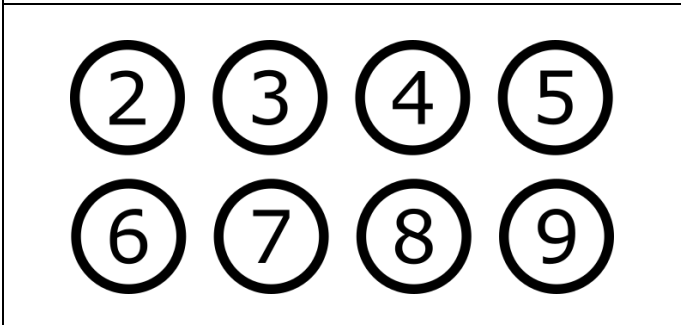

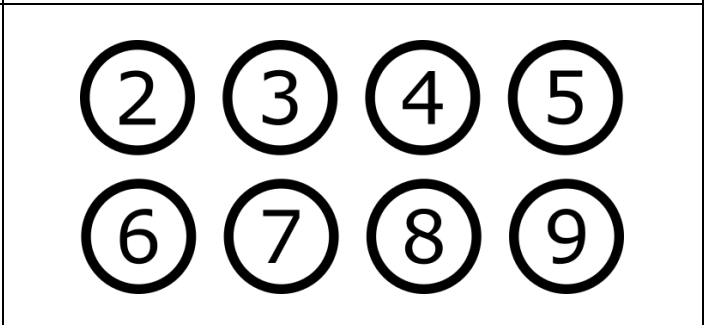

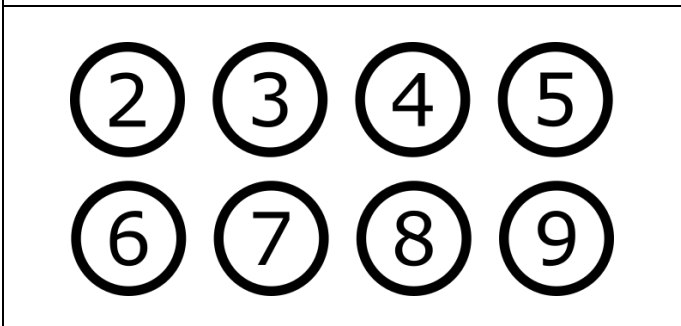

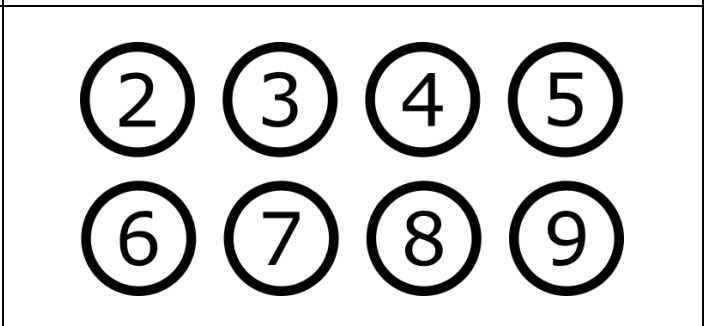

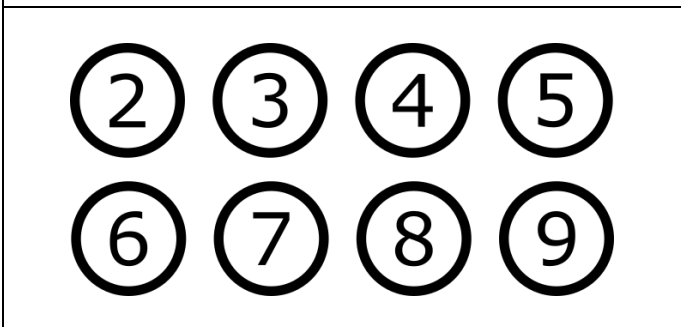

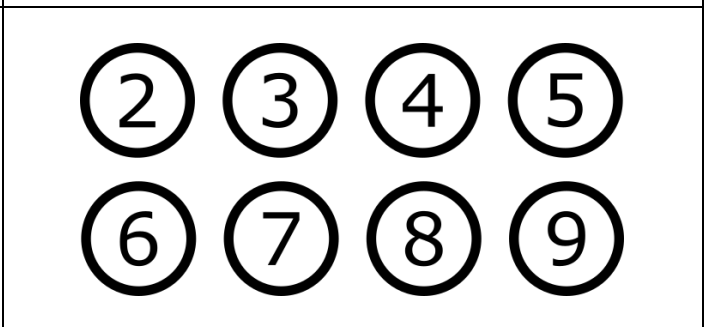

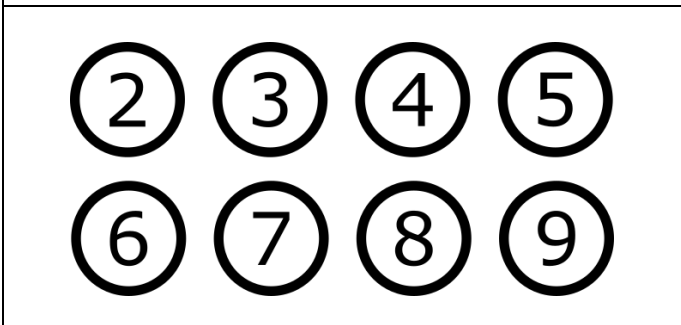

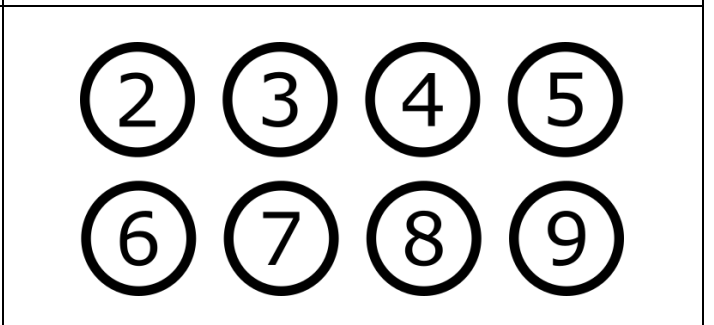

A 2x2 grid of hearts. The top-left heart contains the number 13, the top-right heart contains 17, the bottom-left heart contains 14, and the bottom-right heart contains 24. In the center of the grid is a small circle containing the number 1.

**Peli 29**

A 2x2 grid of hearts. The top-left heart contains the number 20, the top-right heart contains 19, the bottom-left heart contains 18, and the bottom-right heart contains 10. In the center of the grid is a small circle containing the number 1.

**Peli 30**

A 2x2 grid of hearts. The top-left heart contains the number 21, the top-right heart contains 18, the bottom-left heart contains 15, and the bottom-right heart contains 15. In the center of the grid is a small circle containing the number 1.
